### PRODUCT INFORMATION

- Highlight your pins or appliques with a special message by creating a custom enhancement card
- Cards can be simple to complex, one-sided, two-sided, or full color, folded or with cut-out areas
- Labor is included for assembly, with order of custom pins placed at the same time
- Other products, such as bookmarks and key rings, can also be used with enhancement cards. Create your own for that special presentation!
- Individually poly-bagged
- Contact your account representative for these special cards, sizes and quantities not listed
